## RULES

- All Games are 4 ends
- Games are limited to one hour in length
- Cdn Curling Rules apply to all draws
- Hammer is switched at each end
- Team with hammer must score 2 or more points to win the end. Team without the hammer must steal 1 or more points to win the end. If neither, then a carry-over of the win to the next end results.
- If game is tied after 4 ends, or if a carry-over of the 4<sup>th</sup> end, then a draw to the button, with sweepers determines the winner. Draws to the button are to be rotated: 1<sup>st</sup> game - Lead; 2<sup>nd</sup> game - Second; 3<sup>rd</sup> game - Mate; 4<sup>th</sup> game - Skip.
- Each end will be worth \$5.00
- A 50/50 Draw will be held throughout the day and a winner announced before the last curling draw.
